

# LuxePad 9100

Ultra-thin Bluetooth Keyboard for Three-in-one system

LuxePad 9100 is a brand new Bluetooth keyboard from Genius that brings you more convenience when you're using your tablet PC with Android 3.0, iPad series, or Windows 7/XP/Vista.

The Bluetooth wireless technology provides a clean, cable free workspace and quickly syncs to your tablet PC and iPad series for immediate use. On the go, the carrying case helps protect your keyboard. And once you arrive, it converts into a sturdy stand for your iPad and tablet PC that's adjustable to just the right angle. The scissor type key structure is ultra smooth and provides great tactile feedback. Use specific function keys for one-touch access to a variety of tablet PC and iPad Series features.

Contact your sales representative for more information about **LuxePad 9100**.

Compact size for portability and travel.

Ultra-thin scissor type key structure for ultra smooth and great tactile feedback.

Adjustable stand securely holds your iPad and tablet PC in portrait mode.

The **on/off switch** on the keyboard helps conserve battery life, enabling you to turn off the keyboard when not in use.

Use the function keys for one-touch access to variety of iPad series, Android 3.0+, and Windows 7/XP/Vista features such as volume, play/pause, etc.
